Infection Prevention

It's that time of year again: Flu Season

Symptoms include: Fever, Cough, Sore Throat, Runny or Stuffy Nose, Body Aches, Headache, Chills, Fatigue. (Some people may have vomiting and diarrhea)

To help keep your loved ones and yourself safe: Make sure you and your loved ones receive the Influenza vaccine

If you are ill please stay home until feeling better

Cover your cough, or wear a mask

Wash your hands often and for at least 15-20 seconds, or use hand sanitizer.

Keep your hands away from your face

Important Reminder

If you bring your furry friends in to visit your loved ones, please make sure we have a copy of their up to date immunizations. Also, please have them on a leash. Thank you very much.
