FOR IMMEDIATE RELEASE

Eastgate Nursing and Rehabilitation Center Recognized Among Newsweek's America's Best Nursing Homes 2027!

East Providence, RI, 10/7/2026 – Eastgate Nursing and Rehabilitation Center has been recognized on Newsweek's America's Best Nursing Homes 2027 list. This prestigious award is presented in collaboration with Statista, the world-leading statistics portal and industry ranking provider. The awards list was announced on September 30th, 2026, and can currently be viewed on the Newsweek's website.

The America's Best Nursing Homes 2027 ranking awards the leading nursing homes in the U.S. The winners were recognized in three categories: large (150+ certified beds), medium (100–149 certified beds), and small (50–99 certified beds). The evaluation is based on four key pillars:

- **Performance Indicators:** Data on staffing, quality measures and health inspections
- **Reputation Score:** An online survey among medical professionals (registered nurses, nursing home managers, licensed therapists and physicians)
- **Accreditations:** Official recognition by TJC and CARF for meeting quality and safety standards
- **Resident & Visitor Satisfaction:** Patient and relatives feedback reflected in Google rating scores

Based on the results of the study, Eastgate Nursing and Rehabilitation Center is honored to be recognized as one of Newsweek's America's Best Nursing Homes 2027.

We are proud to see Eastgate recognized among America's Best Nursing Homes 2027. This achievement reflects the dedication of our staff across every department and their commitment to the residents and families we serve. I am grateful to our entire team for the work they do each day. -Alan Richards, NHA

About Statista:

Statista publishes hundreds of worldwide industry rankings and company listings with high profile media partners. This research and analysis service is based on the success of statista.com, the leading data and business intelligence portal that provides statistics, business relevant data, and various market and consumer studies and surveys.
